EXPERIENCE

Kennedy Marshall Company, Santa Monica — Intern

August 2022 - December 2022

At Kennedy Marshall Company, it was my job to assist with any task that was needed from the team. This involved conducting archival research, gathering archival materials such as photos, video, and graphics, researching potential stories for future projects, proofreading, as well as working as a team remotely over Slack and Zoom.

TUSHY Inc., New York (Remote) — Social Media Content Manager and Creator

JANUARY 2021 - JUNE 2021

While working at TUSHY Inc., I created content that expanded and boosted their social media platforms. On the platform, between their official account and my own personal, I have gained over 95 thousand followers and brought in over 30 million views.

Admissions Office, Chapman University — Tour Guide

AUGUST 2022 - PRESENT

As a Tour Guide for Chapman University, I have developed a number of essential skills, such as working in a team, public speaking, on-the-spot problem solving, and adapting to an always-changing environment.

EDUCATION

Bonney Lake High School, — High School Degree

SEPTEMBER 2015 - MAY 2020

I graduated from my high school within the top 10 graduates. I was involved with many different sports and organizations including being the ASB President.

Chapman University, California — Bachelor of Arts Degree

AUGUST 2020 - PRESENT

At Chapman University, I am learning the fundamental skills for storytelling through many different visual mediums and essential skills for succeeding in the business world.

SKILLS

Proficient in Adobe Premiere Pro, Photoshop, and After Effects.

Proficient in Avid Media Composer.

Experienced drone pilot.

Basic Spanish speaking skills.

Photography skills.

Online marketing experience.

Over seven years of freelance videography experience where I've worked with/for nonprofit organizations, businesses, and special events.

Junior standing student studying to be a documentarian and storyteller.

Experience using a wide variety of industry-standard visual and audio equipment.

Studies at Chapman University and Dodge College of Film and Media Arts (ranked #4 Film School in the Nation by the Hollywood Reporter in 2022). Majoring in Broadcast Journalism and Documentary Filmmaking with a minor in Entrepreneurship.

Passionate, driven, and eager to learn through new experiences.
