INDUSTRY EXPERIENCE

Picture Head, Hollywood, CA

Aug. 2024 – Present

Production Assistant

- Support daily production operations by managing the front desk while liaising with various departments to ensure timely delivery of assets and information, including physical media drives.
- Assist in planning, executing, and overseeing production-related projects and events, including coordinating logistics, clients, event vendors, and on-site support.
- Manage executive and production team calendars while coordinating client visits, ensuring seamless scheduling, and a professional, welcoming experience to maintain strong relationships.

Delirio Films, Studio City, CA

Aug. 2023 – Dec 2023

Film Production and Development Intern

- Provided film editing coverage using Adobe Premiere Pro on the documentary feature *Will & Harper*.
- Analyzed and evaluated scripts and articles to identify potential feature films and television series.
- Coordinated executive schedules, completed office errands, and hosted high-profile guests to ensure consistent operations.

The Kennedy/Marshall Company, Santa Monica, CA

Aug. 2022 – Dec. 2022

Nonfiction Film and Television Intern

- Assisted in development and post-production tasks of nonfiction film and television projects.
- Researched and curated archival materials (videos, photos, graphics, songs) for the feature *The Space Race*.
- Monitored, evaluated, and scheduled major film festivals and curated spreadsheets to align with current/upcoming projects.

Freelance Videographer, Los Angeles, CA & Seattle, WA

Jun. 2019 – Present

- Collaborate with clients to produce high-quality video content tailored to their brand or cause.
- Create diverse video projects, including nonprofit campaigns, event coverage, production BTS, and weddings.
- Provide professional, industry-standard video editing services using Adobe Premiere Pro.

FILM EXPERIENCE AND PROJECTS

The Space Race (documentary feature, 2024), Will & Harper (documentary feature, 2024)

- Served as a post-production intern on both award-winning projects.
- Gathered archival materials, provided editorial assistance, created transcripts and completed interview coverage.
- *The Space Race* is streaming on Disney+ and *Will & Harper* is streaming on Netflix.

The Deer Divide, documentary short, 2024

- Served as the co-director, head of story, cinematographer, and drone operator.
- Received the Award of Excellence from the 2024 Catalina Film Festival, selected into the 2024 NatureTrack Film Festival, the 2024 Rockport Film Festival, the 2025 American Documentary and Animation Film Festival, and the 2025 Oneota Film Festival. *The Deer Divide* continues to be accepted into film festivals.

22, documentary short, 2024

- Served as the director, producer, cinematographer, and editor. This was a solo-produced project.
- Selected to screen at the 2024 Veterans Film Festival. 22 continues to be accepted into film festivals.
